

Dear Members,

I hope this mail finds you all in good health and spirits. I have been nominated as the Hon. Treasurer of Bengali Association of Singapore for the year 2024. It is an honour to be associated with an organisation that has been in Singapore for 68 years, fostering and promoting the rich cultural heritage of Bengal. I consider myself privileged to have the opportunity to work with the current Management Committee and look forward to fulfilling all the responsibilities entrusted to me.

I would also like to extend my heartfelt thanks and appreciation to the past MC team members for the completion of a successful term. Their outstanding efforts to plan, execute and seamlessly present to us the variety of events, amidst a lot of challenges, is highly commendable.

As we embark on our new MC journey, it is my earnest request to all the esteemed members to kindly pay their membership dues of 2024. Your contributions will help us plan, budget and organise the various cultural events, educational programs and community initiatives in this calendar year. The membership payment options are listed below:

When we are closer to our flagship festival and event of Durga Pujo in October, I will come back to you again with all the details on Pujo overheads and donations.

We, the MC members, have a lot of tasks and responsibilities to fulfill but everything can only be made possible with your co-operation and timely support.

I am also very certain and optimistic that with your contributions, we will be able to organise the various events and celebrate together as a community successfully.

I am looking forward to your continued support and participation to make this year a grand success for BAS.

Warm regards,

Jaeita
